

PARKING: PAY LOTS and HANDICAPPED SPACES

for EXHIBITORS in ALL SECTIONS of the St. James Court Art Show

-  Exhibitor Parking
-  Handicapped Parking
-  St. James Court Art Show Area

-  Two-Way Street
-  One-Way Street

Dashed lines show routes to parking areas and entrances. Addresses are for GPS purposes only; entry may be from a street other than what is noted in address. Free parking is limited and RVs are not allowed to park on city streets at any time, which is why pay lots are also provided. Rates are believed to be current.

For security reasons, your parking permit **MUST** be displayed on your vehicle dashboard at all times regardless of where you are parked.
